# STACY & GEORGE

My friend George got a new place last week. It's kinda industrial looking and so I'm going over to help him break in his stairs and leather chair. Kinda like a pussy-filled welcoming. I've seen photos of it so I know where I'm going to fuck him.

I put on one of my  
sexiest outfits and  
when George saw it,  
he wanted to rip it  
right off. I said he  
couldn't do that if he  
wanted to fuck me.  
After all what was the  
point of dressing up  
just to take it off. He  
reluctantly agreed

a welcoming way,  
of course.

# KELLY & BAM BAM

I'm what I call a sexaholic. But, not clinically. I love fucking and getting fucked. I love doing it for the camera and I like doing it a lot. But most of all I have to like my partner. That's really important to me because all men fuck differently. I like my man to be big, very big.

When I turned 20, I went  
on a sex spree. No guy  
or girl was safe. No cock  
or pussy went unfucked  
when I was around. Now  
I value the quality of my  
sex life more than the  
quantity. Now, I think  
I'm a really hot fuck and

Why don't you watch me

## GLISTENING LISA ANN

I can never get enough Lisa Ann. She is the perfect lady-type for me. I'm a straight female and I still love looking at her. I first saw her years ago, because my boyfriend (at the time) and I liked watching porn. For some reason, I was drawn to her and told him so. Yeah, there are others that might be considered prettier or have bigger boobs or take it in the ass, too, but that combo in her is very stimulating. I want you to look carefully at her pussy lips while she's dildoeing herself. See the way her pussy lips are all puffed up nice and big. Her swollen pussy is gleaming in the light and her expressions show how much she must like getting her pussy fucked, even by a dildo. Don't forget her perfect breasts. They are the perfect handful with perfect nipples that I would love to suck on. I know she must have a ton of toys. They've got to be the luckiest toys in the world.

— Carol, Sacramento

## NEW OLD BOSS

I'm at home watching college football when the phone rings. "Connor, it's Elizabeth. I know it's Saturday, but if you have the Mason file, could you please bring it to my house? Here's my address..." And so it went that morning. My new boss is a real ball-buster, and she knows it. It all started like this at the office so I'm writing to get this little incident off my chest.

Elizabeth had been with the company for only four months. I thought she was a real ass-kicker but hadn't quite worked her out

yet. She was always wearing a suit jacket and skirt with a white blouse, which hinted at a pretty impressive rack. I could tell she tried to look all business and respectable but there was something simmering underneath that prim exterior.

On Friday there was a conversation I overheard when was in the lunchroom. She was on the phone in the adjoining room. "Just because my ex-husband and I can't stand to live together anymore doesn't mean we don't love to fuck. If he hadn't been so good in bed I would have divorced him long ago." I shuddered at what I was hearing because around the office she's known as a wicked witch.

And now here I am, walking up to her front door on a Saturday morning with the Mason file hoping she doesn't eat me alive.

Her property looked like a construction site with empty paint cans and building materials all over the front yard. I ring the doorbell and when Elizabeth opened the front door I was shocked by the change in her appearance. The usual sombre professional business suit had been replaced by a man's oversize dress shirt tied off at the front and a pair of raggedly cut off denim jeans that barely covered her butt. Pretty sexy, I thought, for a forty-something.

She invites me in and as she walked away

## 40+ #90

coming up in a few days and if I wanted to talk to her, I could meet her in the food court at the mall.

**40+:** Oh, no problem. I hope I wasn't becoming too much of a noodge with all the calls.

in front of me I couldn't help but notice the gorgeous ass projecting from the back of her shorts. As I followed her into the house, taking in her shapely butt, she pointed to her canvas covered sofa and told me to drop the file there, then asked if I had a minute to help her.

She led me into what must have been the master bedroom explaining that she was painting a high corner and only had a step stool to climb on. She pulled the stool into position and climbed up it. She asked me to steady her so I put my hands on her hips from the front and held tight. She loaded the roller with paint and reached up to apply it. I looked down at her feet realizing that if I looked straight ahead, my face would be just below her pussy.

But I couldn't help myself, and looking up I could see up the leg of her cut off denims. I noticed her white lace panties and a few wispy blonde hairs escaping the confines of her panty. I saw her labia lips pressed against her shorts and thought I might reach out a hand and touch there. But I also sensed that she may have done this on purpose because she knew where my face would end up.

After several minutes of her painting, I looked more carefully at her panty and thought that I saw it beginning to darken a little with moisture. I took a deep smelling breath trying to catch a hint of her scent. I thought I had caught a faint whiff of her arousal, but stood my ground.

She had finished the corner and suddenly she leaned too far backwards and lost her balance on the stool. Even my holding her hips could not prevent her tumble. She seemed to twist and turn and was plummeting down towards me. I moved my hands quickly to try to catch her and my left hand managed to land firmly on her right breast and my right hand ended up somewhere behind her. We fell backwards with her on top of me and onto the canvas covered bed in the middle of the room.

We laid there for a moment trying to recover from the shock and suddenly realized where my left hand was. And then my right. I asked if she was okay and removed my hand from her breast. I could not get the other hand out from under her. She told me she was fine and started to get off me.

But instead of getting completely off, she slides down my body and I felt her hand move to unbuckle my belt. I could only lay there paralyzed at what just happened. I felt my cock getting hard as she pulled my pants open. The fingers of both her hands reached over and drew down my briefs. She took my cock out and squeezed it between two fingers checking it out closely then her head came down on me as she licked my cock from the base along the underside, up and over the crown of my top knot. She kept licking and sucking it. She licked it like an ice cream cone and sensed I was ready to cum too quickly.

She then gets up and sits at the edge of the bed and struggles out of her shorts and panty and crawled up onto the bed. She patted the bed, motioning me to get on it and then straddled my legs and began to crawl up them. Her eyes were zeroed in on my rock hard cock. She grasped the base of my cock and pulls it back to point up at her juicy wet hole. She paused, and then slowly, delightfully, enticingly, lowered herself down along the length

**Lisa Ann:** No, that's quite all right. Sorry that it's so hectic right now.

**40+:** Well then, I better get to it. As one of the most successful stars on the planet, how has it changed you? Or has it?

**Lisa Ann:** I'd be lying if I said it didn't change me. It has. Like now, it's hard to go out in public without being noticed. The daytime is okay because I can put sweats, sunglasses and a hat on and get away with it. But at night, when I want to glam up and go to a club, everyone recognizes me because I'm made up and look more like my photos and movies.

**40+:** Have you

of my shaft. She paused and allowed her inner muscles to hold and grasp my now fully-buried cock. She begins to ride me now. Gliding up and down on my cock and suddenly she yells out. "Grab my boobs! Pinch my nipples."

I reach up to obey, my thumb and forefinger rolling her pouting nipples between them. Meanwhile she had reached down with her own right hand to find her clit, and circled it with her first and second fingers. She rode me harder and faster and why I hadn't popped already, I don't know. She was pounding herself hard onto me. Her fingers rubbed faster and faster against her clit as she threw her head back and began to groan.

I couldn't hold it in any longer and I finished; my cum a hot geyser in her pussy and she finished soon after, still riding me hard. A couple last grinds and flicks to her clit and she col-

hour of hot fucking, I can only blurt out "That was great." and motion her to come back to the bed as I'm getting my cock ready for another round.

"Not now, Connor" she says, "There's painting to finish and I have to work on the Mason case later. We'll find some time to spend together, but for now you have to go." she told me.

I grab my clothes and excuse myself to the bathroom to clean up and dress. I come out and she's already dressed and holding the paint roller.

"I'll call you, or see you at the office. Okay?" she says.

Elizabeth was a lady you don't say 'no' to so I got my stuff and left. On the subway ride home I thought I may have opened up a can of worms with her being my boss at the office, but hey, she wanted it too. I hope that's a convincing argument. I guess I'd find out next week. As I was

exiting the train, my phone's text message tone goes off. I look at it and it's Elizabeth. I open the message and read 'Come back, now!'

***Why did you decide to sign a girl-girl contract with Sweetheart Video?***

I'm in this phase of my career where I'm getting to explore my personal "Bucket List" in terms of scenes. I knew I wanted to be involved in a high quality, female-centric project that was authentic. I wanted to be involved in something that had a very strong female fan base and that narrows down the opportunities. When I was approached by Sweetheart Video, it floored me. It was the right project, with the right company, at the right time. I cannot begin to tell you how professional Sweetheart Video & Mile High have been. From the girls to the executives, everything has been fun AND professional.

***Would you say your best scenes are with women?***

I don't think it's any secret that I love men! That said, it's also no secret that I also love variety! [Laughs] A great scene (for me) is about chemistry, passion, and direction rather than the gender of my partner. I have had some very memorable scenes with Sweetheart Video ... whether they are "my best" is really for the viewers to decide! My goal is to ensure that every scene I'm in is hot!

***Dana Vespoli usually helms most of the Sweetheart lines. What's it like working with her and do you ever bounce story and character ideas with each other?***

Over this past year I have come to genuinely respect & enjoy working with Dana Vespoli. Professionally, she is organized, creative, and passionate about Sweetheart's productions. There are traits and skill sets that are important in good leaders.... they inspire people like me who draw energy from that passion. Personally, I adore her. If we are honest, everyone knows it's challenging to develop meaningful relationships in

this industry. I genuinely enjoy Dana's company and that admiration pushes me to give every scene my all.

***Are you bisexual in your personal life?***

Sometimes labels too narrowly define a person... such would be the case here! My husband and I are more ... lets call it... opportunistic hedonists! [Laughs] While he is straight, I am attracted sexually to both men and women. What I don't do, however, is "play" alone! In my personal life... you're getting us both!

***Did you select the girls you get to work with?***

For the most part, yes. I don't have a "yes list", but I do have a "no list". Often, you will see me paired with someone who I may not have specifically chosen, but because they were not on my "no list" they were cast. With Brandi Loves Girls we let the fans decide. For the most part, my co-stars have been sensual, fun, and, most importantly, the chemistry on set has led to some fantastic scenes.

***What's a fantasy lesbian scenario you hope to film one day?***

I would love to do a feature with Sweetheart Video where I am able to submit the scenarios. A Brandi's Fantasies, so to speak. I don't want to reveal too much, but I suspect they would be wilder than anything I've shot thus far!

***Do you think another lesbian showcase, or just a general showcase, is in the cards for you soon?***

I hope so! As I stated, I would love to do a feature with Sweetheart Video where I am able to submit the scenarios.

***You've done it all in your career, including hardcore boy-girl scenes. Do you feel your male fans want to see you doing girl-girl and have they responded well to your girl-girl scenes?***

*I don't have a "yes list",  
but I do have a "no list".*

*Brandi Love  
&  
Abigail Mac*

Girl-girl erotica is tricky! Those who have been successful at it know that there is a dramatic difference between what females look for in girl-girl scenes versus what men look for. I know for a fact that my fan base in the girl-girl arena right now is largely female. I believe there is opportunity and room for growth within the genre for me with respect to my male fan base.

***Most male fans aren't big fans of lesbian porn. Why do you feel that is?***

Sometimes answering questions like this puts me in political crosshairs! [Laughs] I however, have always told it like I see it. Men and women typically want different things in terms of adult entertainment and in real life from women. My male fan base, and I would contend that most men, want a woman who is smart, sophisticated, and a complete, unbridled, uninhibited, wanton slut in the bedroom. Men want women to want men (them), not another woman. Can't blame them for that! To appeal to a larger male fan base, certainly my male fan base, the girl-girl scenes need to be naughtier! Less plot, less seduction. It can still be stylistic and classy but it must be naughtier. You want the men to watch and say "Holy fuck! That woman is a slut! She's as kinky as I want to be! Yes!" You don't want them saying, "Hmm... well that was a beautiful, tender moment between two women."

***Porn has changed a lot since you entered the business. Is today's porn environment a good time for performers to get into it?***

The entertainment industry in all its forms has changed. Music, mainstream films, even sports have all changed radically. Adult Entertainment is no different although, in my humble opinion, we have suffered more. You either adapt or disappear.

***Knowing what you know today, what would you have done differently if you were entering the industry in today's porn environment?***

I've mentioned this in other interviews so it may be redundant... but it's important. Embrace delayed gratification! I truly love what I do. I'm not ashamed, I don't have regrets and I treat this as a career. I get paid to explore the world's most pleasurable activity. It's amazing really. When I first started, the money was insane, it was new to me and I spent like a rockstar. I paid the price for that foolishness. I did not embrace delayed gratification. Now I save and invest every penny. I will still be able to retire from this industry and secure my future but it's impossible to regain the benefit of compound interest over those early years. Or to be perfectly blunt... I gave up about 1.4 million for cars, handbags, and ego. I'll never make that mistake again.

***Are there any misconceptions about lesbian porn that fans should be aware of?***

You know... I haven't come across any misconceptions specifically related to lesbian porn.

***Anything you'd like to say in closing to our readers?***

Other than sincere and heartfelt thanks for their support and inspiration, I'd like to encourage them to Dare to be Deviant!

**In England, it's often hard to find a man to fuck on camera. The talent pool is limited and I'd often bring a friend, just to be able to do a scene. In the States, it's much different, there's a stud ready to fuck on every corner. It seems like that to me.**

# Lust in the burbs

I live next door to two single women. The house to the left of me is Millie Hanson, a widow in her late forties. She has lived there since the eighties. To the right Catherine, a single babe in her late twenties. A prime example of delicious womanhood, this one has wavy shoulder length blonde hair, brown eyes, and a full but fit body, just the right amount of curves, and an amazing set of breasts. She and her dog moved in a couple years ago and I have been hot for her since the day I laid eyes on her. We have been friendly with each other and she has been over to a few of our barbecues, and when I say "our" I mean my wife and me. I love her very much.

However, I have always had this insatiable sex drive and a wandering eye. I just can't help it. This marriage is my second go around and I have really tried to be good and faithful to my wife, so whenever Catherine was around I had kept my indecent thoughts to myself. I have been a helpful neighbor and perfect gentleman towards her and she's never given any indication that she had any interest in me either.

This past weekend, my wife was out of town on a business trip for her company to Milwaukee. They were opening up a new office and she was there to 'approve' the new facility. She'd be gone almost two weeks, a longer time than usual. I was out in the back cleaning up the first dropping of autumn leaves and sweating and from the raking and the gathering when Catherine comes up to the side gate and asks if she could possibly borrow a garden hose because theirs has a big leak in it – and it won't attach to the spigot. I had finished with raking so I invited her into the garage, found the hose and gave it to her. I looked over the fence and saw her trying to

connect the hose. She was wearing little blue cut off jeans and a white tank top and sneaked a peek at her sweet ass as she walked the hose over to her flower bed.

When she was finished watering, she brought the hose back and thanked me for letting her use it. I said it was no problem and turned to hang it back in its place on the garage wall. I turned back to talk to her some more and as I did she raised her hand to wipe some sweat off her brow. As she did this she grazed the back of her hand right across my crotch. It seemed like an accident. It could have been an accident. Except it wasn't. She was closer to me than even casually necessary, and on top of that she looked me straight in the eye as she did it. I was entirely caught off guard. She didn't say a word but moved straight in and kissed me hard. It was intoxicating, I love the feel of the first time I kiss a woman, but we were in an open garage, so I cut it short.

"Let's go inside," she said. My head was spinning, it had been a long time since a woman had come on to me like this, but I turned and she followed me in the back door. No sooner were we inside and we were kissing passionately

rock hard cock. I never imagined this hottie would ever be down on her knees about to suck my cock.

So, I leaned back against the washing machine and watched her slather her saliva on my dick as if it was the one thing that nourished her. She took every inch of me down her throat and then flipped it up and lapped the bottom of my shaft. I was thinking to myself god damn this cock craving whore has been living next to me this whole time. She then worked her tongue along my shaft and began to lick my balls while stroking my cock the whole time and I didn't know how much longer I was going to be able to take it before I had to blow my load, so I kind of tried to back away from her amazing oral intensity, but that just made her work even harder. Stroking, deep throating, and licking my sweaty balls, I just couldn't take it any longer and moaned loudly as I spurted as big a load as I ever have.

answered, it was not the sweaty cock craving whore that had just left my house, but this incredibly beautiful, sexy woman with her hair and makeup done, in a very form fitting black dress and heels that answered the door.

I said, "Wow!" That's really all I could say and offered her some wine. We sipped our glasses and all the while just kind of looking each other in the eye and not saying much, and then in an instant, we were back in each others arms, making out like teenagers.

"You know I have wanted you since the day I met you." I said. She cooed "I know." as we continued to kiss. I unzipped her dress from the back and admired her as it dropped to the floor. She stood before me naked except for those sexy black heels. I kissed her neck and her earlobe. I rubbed her shoulders and caressed her fantastic breasts without going straight for the nips, but then I pinched them gently as I

I splayed back across the washing machine, heaving, wondering what the fuck had just happened. I gathered myself and reached across to the dryer and grabbed a clean towel to hand to her. She was lapping up all that she could with her tongue and then wiped the hot goo on the towel.

"I think we both need a shower." she said as she was wiping the last bit of cum from her face. This sounded great to me and she headed out the back door with a little kiss on the mouth. So I showered, put on some cologne, decent clothes, brushed my teeth, figured let's make this a whole different experience, grabbed a bottle of wine, and headed next door. I knocked, and when she

worked my hands down her flat tummy. When I reached her soft pubic mound, I brushed across it and teased a bit as I continued down her inner thighs, kissing and licking slowly. She let out a deep moan and as I came back up towards her pussy.

She smelled fantastic and I couldn't hold back any longer as I inhaled the sweet smell of her sex. I swear she almost gushed in my face as I saw a trickle of wetness roll down her leg and I dove right in, lapping up her sweetness. She responded to this with a deep moan and I pushed her back towards the couch. I licked her pussy the same way she sucked my cock earlier – like I needed it to live, and it wasn't long before her deep moans became shallow pants and then she came. Her pelvis shook

with waves of climax and buckled into me. Suddenly I felt a wetness all over my face; a drenching wetness came flowing from her quivering pussy, it was something that I had never experienced.

As she was moaning and coming back from her orgasm she whispered for me to fuck her. My cock was a raging monster as I entered her soaking wet pussy. I was ready to go and fucked her deep and hard, giving her every inch and ounce of energy. Her deliciously wet pussy absorbed every thrust of my cock, and begged for more. It wasn't long before she was entering her second mind altering orgasm and I continued fucking her through it until her eyes rolled back in her head and she could barely catch her breath.

I felt her moist lips brush my ear asking me if I had cum. I was like, 'no baby not yet.' She continued whispering "Baby, my ass is tingling for your cock. I want you inside my ass." Guys, if a woman ever

as I sank deep inside her. After slowly accommodating her to my size she let out another deep, slow moan and I starting slowly pumping her tight ass, getting a little faster and deeper with each thrust. The lube was working and she was not resisting, so soon I was up to a faster pace and going balls deep. With every thrust she was grunting and moaning with lustful bliss.

She reached down between my legs and grabbed my balls, swirling them around her moistened fingers. She pinched and pulled at them as pumped her ass even harder now. When I was deep in her, I felt one of her fingers slip into my butt hole. I froze for a moment to realize what she had done. She opened her eyes and looked directly into mine and gave out a great big grin. As I continued my manly thrusting, her finger slid in and out of me like it had never been done before. And with that I unleashed a

says she wants you to fuck her in her ass, then you know damn well that's what you're going to do. She excused herself and ran up to the bedroom and brought back some lube and rubbed my cock down with it. Then she poured some on my fingers, then on hers and I began to massage her beautifully tight anus slowly with one finger, then two.

She laid back and raised her knees and legs past her ears lifting her hips up so her pussy and asshole were staring me in the face. My lubed fingers fondled her pussy and butt for a short moment before I entered her tight little ass while looking deep in her eyes, which she closed and grabbed me tight

huge orgasm of cum deep inside her and as I did, she came again for third time. Her asshole clenched and released against my cock, draining every last bit of cum that I had.

We held each other and slowly drifted into sleep as I laid next to this hot minx of a woman all night long, with her next to me and my cum leaking out of her ass. The next morning I awoke with a hot moist face cloth on my cock, only to be replaced by her hot moist mouth. The first thing she said as to ask if I slept well. I told her it was the best sleep I had in a long time. And that was it. I put on my clothes, kissed her cheek and walked out her door and over into my house.

*The next morning I awoke with a hot moist face cloth on my cock, only to be replaced by her hot moist mouth.*

It took me a very long time to convince my man to let me fuck another guy. Six years, exactly. So on my 40th birthday, he came through and I had the second best birthday ever. His friend came over and we fucked for almost three hours. Fun!

When Claudio and I started fucking, I thought my man was going to change his mind, but he didn't. Then, when I was blowing Claudio, I thought he might change his mind, but no. Then when Claudio was banging me as hard as he could and I was moaning loud, my man just egged him on. Then when Claudio came on my face, he applauded. Gotta love my man.
